UTE INDIAN MUSIC TO BE BASIS OF PROGRAM

The native melodies of the Ute Indians, combined with demonstrations of their religious and other tribal ceremonials and legends, will form the basis of the program which is to be given by the Hanson Wigwam company, in several Utah towns, under the direction of Professor William F. Hanson of the music department of the Brigham Young university.

Mr. Hanson, formerly of Vernal, will be remembered as the author of "The Sun Dance" opera, has devoted his life to the preservation of the musical and literary values of the Ute Indians.
